To whom it may concern

Isokinetic Sample Nozzles sold by TES are currently registered under the following Canadian Registration Numbers (CRN).

Registration Authority	CRN	Description	Expiry YYY-MM-DD
Alberta Boiler Safety Association (ABSA)"	0H17683.2	Isokinetic Sample Nozzle (Flange Design)	2027-May-30
Alberta Boiler Safety Association (ABSA)"	0H17711.2	Isokinetic Sample Nozzle (Weld-In Design)	2027-Jun-08

These CRN Numbers can be validated by going to ABSA website at <http://www.absa.ca/directories/design-registration-directory> and typing in the CRN as shown above.
